Dear Friends:

On behalf of the residents of Montgomery County, Maryland, it is my pleasure to extend warm greetings and best wishes to those attending the Save Our Souls Foundation, Inc. banquet. Your organization plays a valuable role in providing opportunities for the poorest and most vulnerable inner-city children.

I particularly appreciate the ways in which your domestic programs focus on assisting the homeless, reducing poverty and hunger, and providing education support services is indeed worthy of my respect and recognition. Thank you for your efforts in that regard.

I also commend your foreign programs that focus on sub-Saharan Africa countries, promoting a bold agenda in prevention of malaria and HIV/AIDS, assisting in community development, providing educational support, developing clean water source, and enhancing sustainable livelihoods.

Your leadership, interest and involvement in our community has established high standards for all to follow. I encourage your ongoing efforts, and wish you continued growth and success.

Sincerely,

Isiah Leggett
County Executive
